Heliski Valgrisenche designed by professionals for ski days in an epic terrain and endless powder. Valgrisenche is the most well known heli-skiing spot in the Alps. With routes, going back to 1982 Valgrisenche has the longest heli-skiing tradition in Europe Alps, situated in one of the most beautiful, breath taking regions of the Alps. The valley of Valgrisenche is located in the Aosta Valley in the heart of the Alps. Thanks to the endless numbers of landing places and descents, the area is for sure one of the most versatile in the Alps and offers alpine area, huge bowls, couloirs, glaciers and glades. We can ski in all kind of aspects and steepness finding always the best lines and snow conditions.

Heliski Valgrisenche:

Now for over 20 years, the team of HG and GM operates, we love skiing, riding and we've been working in this industry for decades, at first-class heli-skiing locations around the world. We know what it takes to build an awesome heli-ski trip. Since the winter 2017 HG and GM is operating with its own helicopter company GM-Helicopters in Valgrisenche. You benefit from our expertise and knowledge of our areas and in additional we can offer a maximum of individuality and flexibility. Our highly experienced IFMGA guides will select the best descents according to the snow conditions and your ability. Putting safety first, their goal is to help you fulfill your dreams and expectations.

Snow information:

We're incredibly fortunate to have an extraordinary and reliable bounty of snow in Valgrisenche. From December to end of April you can find here mostly powder snow and in spring time perfect spring snow.

Maximize your Heli-Skiing time with our small groups:

Small group's means less wait time between runs, so you can make the most of your time on the mountain. By using smaller, more agile helicopters, you can explore further and deeper into our majestic playground. We work with max. 4 participants per mountain guide.
